

NWI UNITED FC TRAVEL PERMIT PROCEDURES

All teams traveling outside the jurisdiction of Indiana Youth Soccer (out of state) must obtain an authorized travel permit in order to do so if the game or tournament is hosted by another affiliate of US Youth Soccer.

Travel to US Club Soccer Tournaments is not sanctioned. A travel permit to these tournaments is not required. Indiana Youth Soccer insurance and member benefits will not apply when participating in this type of tournament. NWI United FC recommends that a team purchase the insurance available through the tournament registration when participating in a US Club Soccer Tournament.

Travel permits are authorized by the State office only.

NWI United teams may obtain a travel permit by completing and submitting the form via the E-Travel online process 8 days or more before the tournament at:

<http://www.indianayouthsoccer.org/Left Nav/Benefits Services/Services/Travel Permits.htm>

Travel permits are approved free of charge as long as the permit is applied for at least 8 days in advance. If a permit is applied for between 0-7 days before a tournament, a late fee of \$50 will be assessed.

Please note: NWI United FC will not reimburse a \$50 late fee.
